FINISH LINE TO ACQUIRE GENESCO CREATING LEADING \$2.8 BILLION RETAILER Transaction Provides The Finish Line with Increased Scale, Diversification and New Growth Opportunities

INDIANAPOLIS and NASHVILLE – June 18, 2007 – The Finish Line, Inc. (NASDAQ: FINL) and Genesco Inc. (NYSE: GCO) today announced that the Boards of Directors of both companies have unanimously approved a definitive merger agreement under which The Finish Line will acquire all of the outstanding common shares of Genesco for \$54.50 per share in cash. The total transaction value is approximately \$1.5 billion. The offer price represents a premium of 37.7% over Genesco's three-month average undisturbed stock price ended March 9, 2007. The transaction is expected to be completed in Fall 2007. The Finish Line expects the transaction to be accretive to its net income, before consideration of incremental amortization resulting from the transaction, in the first full year after closing.

The transaction enhances The Finish Line's position as a leading footwear and apparel retailer. With Genesco, The Finish Line will have strong market positions across multiple footwear and apparel categories, including athletic, sport casual, lifestyle, brown shoe and headwear. The combined company's portfolio of retail concepts will include Finish Line, Man Alive and Paiva as well as Journeys, Journeys Kids, Shi by Journeys, Underground Station, Jarman, Johnston & Murphy, Hat World, Lids, Hat Shack, Hat Zone, Head Quarters, Cap Connection and Lids Kids. In addition, the combined company's licensed and wholesale footwear and apparel business will include Johnston & Murphy and licensed brands.

"This is a compelling strategic transaction that affords exciting opportunities to our shareholders, business partners and employees," said Alan H. Cohen, Chief Executive Officer of The Finish Line. "With Genesco, we will enhance our strength in athletics and gain an immediate presence in new and growing retail categories to further diversify our business and deepen our vendor relationships. We believe the increased scale achieved through our combination will better enable us to drive strong returns in this competitive retail environment.

"We have great admiration for the Genesco team and their proven record of identifying and capitalizing on new consumer trends. Their long-term success in operating under different retail banners and their industry-leading merchandising strategies will strongly complement our own initiatives," continued Mr. Cohen. "The Finish Line and Genesco share a heritage of superior service, dedication to employees and a culture of creativity. Through this combination, we ensure that these characteristics that have long distinguished our companies will continue. We welcome Genesco's management and employees to The Finish Line and are confident that they will be an important part of the combined company's success." "Following a review of our strategic alternatives, we believe that this combination is in the best interests of our shareholders. We have long admired The Finish Line's entrepreneurial spirit, and believe that together we will be able to leverage the combined companies' scale and talents," said Genesco's Chief Executive Officer, Hal N. Pennington. "In addition, Genesco and The Finish Line share similar philosophies that promote a strong team culture and the spirit of creativity. These value systems, which have long distinguished our companies, will continue to define the next chapter of our history together."

Benefits of the Transaction

- **Increased Scale.** On a pro forma basis, the combined company had revenues of approximately \$2.8 billion, based on the twelve months trailing as of May 31, 2007. In addition, The Finish Line will have expanded platforms for future growth with 2,870 retail stores throughout the United States, Canada and Puerto Rico.
- **New Growth Opportunities.** Already a leader in athletic footwear and apparel with its Finish Line stores, the transaction adds growing retail concepts to The Finish Line's portfolio. These include Journeys, which offers the most trend-relevant footwear and accessories for young adults, Hat World, the leading mall-based retailer of the latest team and fashion headwear, and Johnston and Murphy, the premier lifestyle brand for men. The Finish Line will also gain a presence in the growing branded and licensed wholesale business, as well as the recently launched concepts of Shi by Journeys and Lids Kids.
- **Broad Portfolio of Retail Businesses.** As a result of the combined company's multiple retail concepts and more extensive product offerings across footwear and apparel categories, The Finish Line will be able to satisfy a wider spectrum of consumers and their needs.
- **Cost Savings and Operational Efficiencies.** The transaction is expected to generate approximately \$15 million to \$20 million in annual cost savings beginning in the first full year of operations, including integration costs, from shared administrative services, increased scale in purchasing, marketing and advertising, and sourcing and logistics efficiencies. This transaction is about growth, and The Finish Line does not expect significant changes to the workforce. Financing

The Finish Line expects the transaction to be funded through a combination of approximately \$11 million in cash on hand and up to \$1.6 billion in financing pursuant to a commitment provided by UBS Securities LLC, consisting of a Revolving Credit Facility, a Senior Secured Term Loan and a Senior Bridge Facility. Following the transaction, The Finish Line believes its strong cash flow from operations will allow it to reduce its net debt and fully fund its growth initiatives. Headquarters

Upon the close of the transaction, Genesco will become a subsidiary of The Finish Line. The Company will be headquartered in Indianapolis, Indiana and will maintain Genesco's operations in Nashville, Tennessee. Approvals and Time to Close

The transaction is subject to approval by Genesco shareholders and the satisfaction of customary closing conditions and regulatory approvals, including expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.
