## **GENESCO ANNOUNCES LIDS SPORTS GROUP LEADERSHIP TRANSITION**

NASHVILLE, Tenn., Feb. 2, 2016 -- Genesco Inc. (NYSE: GCO) announced today that Kenneth J. Kocher has resigned as President of the Company's Lids Sports Group and as a Senior Vice President of Genesco. Kocher is expected to remain employed by the Company in a consulting capacity for up to six months. The Company has begun a search for Kocher's successor. In the interim, Genesco Chairman, President and Chief Executive Officer Robert J. Dennis will act as the Group's president.

Dennis said, "I look forward to working closely with the senior leadership team at the Lids Sports Group during this transitional period. Ken Kocher has led this business through an exciting and dynamic phase of its development, and we thank him for his contributions and wish him the best in his future endeavors. I am confident that the renewed focus and discipline that we have brought to the business over the past year have laid the groundwork for us to realize the tremendous potential of the retail and omnichannel concepts within the Group, starting with the new fiscal year we begin this week. We are launching a comprehensive, nationwide search, in addition to evaluating qualified internal candidates, to identify the right person to lead the highly talented Lids Sports team as they build on that foundation and work to realize that potential."

### **Cautionary Note Regarding Forward Looking Statements**

This release contains forward-looking statements, including those concerning the outlook for and potential in the Lids Sports Group and all other statements not reflecting purely historical facts and present conditions. Actual results may differ materially from the expectations reflected in the forward-looking statements. Factors that could result in differences from expectations include but are not limited to failure by the Company to execute strategic and operational plans or to realize expected effects of initiatives; business disruptions related to the management transition or to other factors; economic conditions, fashion trends, and other conditions affecting consumer demand; and other relevant factors discussed in the Company's periodic reports and other disclosures filed with or furnished to the Securities and Exchange Commission.
