Cautionary note regarding forward-looking information

In addition, there exists the possibility that internal projections or forecasts of Genesco for the fourth quarter of fiscal 2008 which ends on February 2, 2008 may be discussed at the trial. The Company has not made public projections or forecasts for that period and cautions that such forward-looking information has been prepared for the internal use of management in managing and planning for the business and not with a view to public dissemination. Forward-looking statements may include those regarding the performance outlook for the Company and its individual businesses, and all other statements not addressing solely historical facts or present conditions. Actual results could vary materially from the expectations reflected in these statements. A number of factors could cause differences. These include uncertainty regarding the effect and timing of the Company's proposed merger with a subsidiary of The Finish Line, Inc. and litigation and investigations in connection with the merger, weakness in consumer demand for products sold by the Company, fashion trends that affect the sales or product margins of the Company's retail product offerings, changes in the timing of holidays or in the onset of seasonal weather affecting period-to-period sales comparisons, changes in buying patterns by significant wholesale customers, disruptions in product supply or distribution, further unfavorable trends in foreign exchange rates, foreign labor and materials costs, and other factors affecting the cost of products, and competition in the Company's markets. Additional factors that could affect the Company's prospects and cause differences from expectations include the ability to open, staff and support additional retail stores on schedule and at acceptable expense

Additional factors are cited in the “Risk Factors,” “Legal Proceedings” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” sections of and elsewhere in our SEC filings, copies of which may be obtained by contacting the investor relations department of Genesco via our website www.genesco.com.
